Mr. Sammie L. Knight,  
Vice Chairman  
Ms. Gladine Thompson  
Mr. Randy Mayberry  
Mr. Tracy Giddens

November 9, 2022

## **For Immediate Release**

The Washington County School District has continued our close communication with our local EMA and the National Weather Service regarding tropical storm Nicole. Recent models anticipate the majority of the storm impacting our area Thursday evening and Friday.

Due to the rainfall and gusty winds projected to impact our area, the Washington County Board of Education will shift to an at-home learning model for Friday, November 11th. Your schools will be in touch with you as to how your child will participate.

In regards to Friday's Varsity Football game, Appling County has shared that they are monitoring the weather for Friday night and that the game is set for its regularly scheduled time. Please note, this may change as we get closer.

Please ensure that you take all the necessary precautions and check your disaster preparedness plan and kit. We will update you as we receive new information. Thank you for your patience and flexibility.

Thank you,

  
Dr. Rickey L. Edmond  
Superintendent
